**SINGAPORE, 1 November 2017** – Cordlife Group Limited (“**Cordlife**”, and together with its subsidiaries, the “**Group**”) was named first runner-up at the Investor Relations Website Survey 2017 Awards (Small Cap Category). The award ceremony was held at at the Singapore Exchange Auditorium on the 20<sup>th</sup> October 2017.

Launched in April 2017 by EQS Group and the Investor Relations Professional Association (Singapore), the inaugural survey aims to determine the quality and efficacy of Singapore Exchange-listed companies’ investor relations (“IR”) websites.

711 companies’ IR websites were rated according to a 100-point system, based on the comprehensiveness of their corporate profiles, stock data, financial announcements, sustainability reports, corporate governance and events (50 points). Other assessment criteria

included elements such as technology (20 points), usability (15 points), design (10 points) and the regularity of updated content (5 points).

Cordlife's website scored 68 points, beating the top 30 average of 64 to achieve fourth place among all companies surveyed. The highest score achieved in the survey was 70 while the lowest was 13. Small cap companies averaged a score of 38.

"We are honoured to receive this award. As a listed company, we seek to engage in best practices and ensure that we have a strong digital platform for shareholders," said Dr Wong Chiang Yin, Group Chief Executive Officer of Cordlife.

"We believe keeping our investors abreast of any updates will ensure healthy relations between our Group, our shareholders and our investors. We will strive to make our IR website even more comprehensive in future, so that our digitally savvy stakeholders can make well-informed decisions," he added.

Cordlife is dedicated to engaging with investors and potential business partners through its IR website, which features relevant news articles and statistics regarding the Group and the consumer healthcare industry.

## **About Cordlife Group Limited (Bloomberg: CLGL; Reuters: CORD.SI)**

Incorporated in May 2001, Cordlife Group Limited (“Cordlife”, together with its subsidiaries, the “Group”) is a leading provider of cord blood and umbilical cord lining banking services in Asia.

As a consumer healthcare company catering to the mother and child segment, Cordlife has the largest market share among private cord blood banks in Singapore, the Philippines and Indonesia. It is among the top 3 market leaders in Hong Kong and India. In February 2017, Cordlife increased its shareholding in Stemlife, the largest cord blood bank in Malaysia, to 99.03%, making it the latest subsidiary of the Group. Cordlife is also the first Singapore private cord blood bank in Myanmar and Vietnam.

Cordlife’s cord blood and cord tissue processing and cryopreservation facility in Singapore is one of only six private cord blood banks in the world to be dually accredited by AABB and Fact-Netcord, two of the world’s gold standards for cord blood banking. The Group’s majority-owned Hong Kong Screening Centre Limited and Cordlife Sciences (India) Pvt Ltd have also received accreditation from the College of American Pathologists, which only recognises facilities that meet or exceed the highest standards in laboratory services. Cordlife has been listed on the mainboard of Singapore Exchange since March 2012.
