Dear CordLife Parent,

### **Updates on CordLife operations in the Philippines**

Greetings from CordLife! We would like to thank you for entrusting your baby's cord blood with us. Through your support, our company has grown to become the largest privately- owned cord blood bank in the Asia-Pacific region today.

With regards to our Philippine operations, we are pleased to inform you about some exciting organizational developments which will take effect starting 1 April 2009:

1. Advanced Nutritional Technologies Inc. (ANTech) will cease to be CordLife's sales and marketing agent in Philippines.
2. Our wholly owned subsidiary, "CordLife Medical Philippines, Inc" shall continue to handle sales and marketing, as well as the customer servicing matters in the Philippines.

We would also like to take this opportunity to introduce our new Country Manager, Ms. Suzanne Salindong. Should you have some concerns or need additional information, you may contact her through 0917-8878611 (Mobile) or email [suzanne.salindong@cordlife.com](mailto:suzanne.salindong@cordlife.com).

Once again, thank you very much for banking with CordLife.

We look forward to be of better service to you.

Yours sincerely,

Steven Fang  
Group CEO, CordLife Ltd
