

# GIFTING YOUR FAMILY A PEACE OF MIND AT EVERY STEP OF THE WAY

**CORDLIFE  
CARE360°**

At Cordlife, we understand your needs and concerns as a parent. Cordlife Care360° Safeguard is specially crafted for you and your child to ensure you get that added peace of mind.

With over 20 years of laboratory experience and regular audits by world renowned international bodies at our MOH-licenced facility, you can be rest assured that your baby's precious cord blood stem cells are stored according to stringent protocols and the highest international standards.

Cordlife has looked into all aspects to deliver a holistic protection that covers you and your family from any unforeseen circumstances, including coverage for stem cell transplantations, if the need ever arises. At Cordlife, we are committed to being with you and your family for the long haul.

**cordlife**   
one chance, one choice.

### **CORDLIFE TRANSPLANTCARE:360°**

**Gifting Your Family a Peace of Mind at Every Step of the Way**

Cordlife provides partial coverage\* of your child's medical costs for hospital services when a cord blood transplant is required.

### **CORDLIFE WORLDWIDE:360°**

**Limitless Protection for You and Your Family**

Cordlife will deliver your child's cord blood unit to any location in the world at no additional fee, should an autologous or allogeneic transplant be required\*.

### **CORDLIFE PROTECT:360°**

**Peace of Mind for You and Your Family**

Cordlife, together with an international insurer, will waive off your child's future storage payments should you or your spouse pass away, or suffer from Total and Permanent Disability (TPD)\*. Depending on the payment plan you have selected, your family may also receive a token fund\*.

### **CORDLIFE PLEDGE:360°**

**Our Pledge to Quality Processing and Storage Standards**

Cordlife assures you of a cord blood unit of suitable match or SG\$50,000 to defray medical costs if the cord blood unit loses its viability at point of transplant^.

### **CORDLIFE ASSURE:360°**

**Assurance Tests Prior to a HSC Transplant**

Cordlife will cover the cost for matching (HLA resolution test) and viability (CFU Assay) prior to the Haematopoietic Stem Cell (HSC) transplant\*. This is our assurance to you if the need to release your child's cord blood for a transplant ever arises.

### **CORDLIFE GUARD:360°**

**Safeguarding You and Your Family**

Cordlife has taken added insurance coverage, to safeguard you and your family from financial loss that result from direct malpractice\*.

### **CORDLIFE SHIELD:360°**

**Tender Loving Care for You and Your Family**

Cordlife provides the coverage of possible pregnancy and/or childbirth complications^, so that you and your family can have an added peace of mind.
